**OBERON HIGH SCHOOL PRESENTS
2024 SCHOOL PRODUCTION**

'YOU'RE HISTORY!'

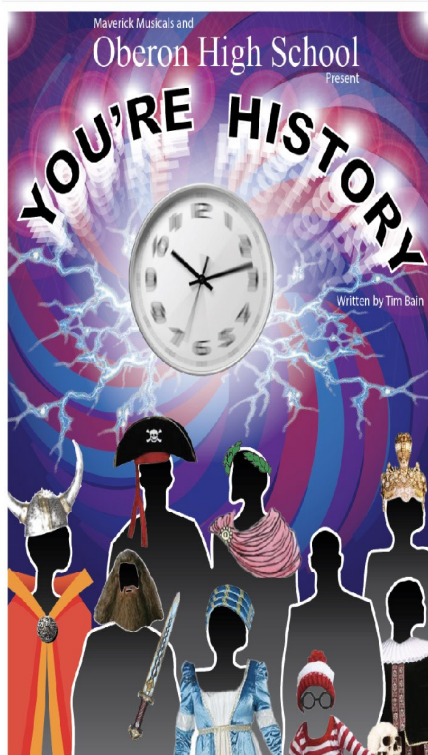

The time has arrived, the first performance is tomorrow; band and backstage crew members have been busy rehearsing lines, learning songs, learning musical scores, choosing costumes, finding props, moving sets, learning dance routines but most importantly having an absolute blast!

When a nerdy teenager turns a portable classroom into a time machine, a mischievous detention class is sent hurtling back through history! The time warped team discover vicious Vikings, pilates-practicing Pirates, disco-happy Gladiators, a rapping Romeo and Juliet and the infamous Oedipus on Jerry Springer.

Drawing a parallel between hierarchical history and the modern schoolyard, *You're History!* is a rollicking musical that will have actors totally rapt and their audience in stitches.

Congratulations to all students who landed a role in this year's production. Your hard work, dedication and amazing talent is much appreciated and it's shaping up to be a great performance!

OBERON BATTLE OF THE BANDS (Friday 9th August)

Performing Arts Student Leaders recently hosted an Oberon Battle of the Bands event which included a fundraiser for the Music Department. Students and staff could vote for the winning band, there was delicious baked treats for sale and a mystery group on the line-up which was revealed at the last moment to be comprised of our talented musical staff. A huge thanks to our student leaders for putting their time and effort into organising this event. Thank you also to those who donated towards the continued enrichment of our program; we raised over \$300 on the day.

Congratulations to **The Shags** (Hazel Burgess, Archie Phillips, Oskar Gustafsson & Asher Grant) who were the winners on the day; however due to their busy schedules, nobly passed the prize on to the runners up – **Gobsmacked** (Madi Dyer, Riley Walsh, Blake Armistead & Oscar Lawrence) claimed the opportunity to represent Oberon at FReeZA's *Come Together* event at Queenscliff Town Hall on Sunday 11th August. They did the school proud!

Gobsmacked also recently attended the Oberon High School Echuca Blues Songwriting Camp playing 3 original songs; they played amazingly and showed great performance skills. They have also been accepted into the Victorian SongMakers Holiday Program which will deliver two days of free intensive songwriting and recording sessions in collaboration with APRA-AMCOS and the Victorian Government.

Participants work together to write and record a song with the guidance of professional artists and producers as their mentors. This opportunity is valued at over \$12,000 and is fully subsidised. A massive congratulations to you Gobsmacked, for your successful application and continuous participation in the community – keep it up. Thanks also to Mr. Sam Nicholson for assisting our young rock stars through this process and supporting them at *Come Together* in Queenscliff!

COMING UP...

VICE PERFORMANCES @ THE BARWON CLUB HOTEL (Monday 26th and Tuesday 27th August)

Our Senior Music students have their live assessed performances at the Barwon Club Hotel. This is a wonderful opportunity to come and check out our budding talent in a real-life venue. Your support in the audience would be greatly valued by our students as they showcase all their hard work. If you'd like to contribute to the atmosphere the performances kick off at 7pm so come and have some dinner – Monday Night Parmis (extensive list), Tuesday Steak Night – and cheer on our music legends.

Lastly, Oberon's youngest Rock Band *Electric Stardust* have a *super* exciting announcement to make. Australian legends *Spiderbait* have sold out a big show at The Forum as part of their Black Betty 20th Anniversary Tour on the 20th September and **ELECTRIC STARDUST GOT ON THE BILL!** This is a massive achievement for the young band who have successfully shown their capabilities to be considered for such a milestone in their early music careers.

All in Year 8, the band (Remy Duval, Tom Wilson & Max Mitchell) started out in the Rockband Program mid-way through last year, some with a bit of experience and some being brave enough to pick up the instrument for the first time. They quickly started churning out songs and took any opportunity for performances inside and outside of school including lunchtime concerts, Oberon Arts Night, The Geelong Show, FReeZA Battle of the Bands events at Barwon Club Hotel and now, why not add one of Melbourne's iconic venues - The Forum - to the list!??

Akira Parker, one of Oberon's amazing Performing Arts Leaders, conducted an interview with the band earlier in the year. In an excerpt from her article she wrote:

"The three boys say that being in a band has affected them in one way or another. Max claims that ever since joining the band he's been drumming three hours a day! Remy says he's been more involved in song writing, creating lyrics, has found a new passion for singing and had never sung prior to joining the band. They all agree that the Rock Band Program is an amazing opportunity offered by the school and encourage those interested to give it a go."

If you see these rock stars, it would be great to congratulate them and wish them luck for the big show – they will be eager to get as much performance practice as possible in the lead up! Well done Tom, Remy and Max!

MUSIC NEWS cont'd.....

Music at Oberon continues to flourish this year with so much to announce and reflect on. Thanks to all students across the cohort for their contributions to the creative culture of our school and the wider community – give a pat on the back to our budding musicians and future stars at Oberon.

Whether you are involved in our Instrumental Program, Choir, Rockband, studying Music or participating in the many extracurricular musical activities available, Music at Oberon is all the more exciting due to your ongoing involvement.

Talk to our Music Staff to get involved if you're keen to be part of the scene.

MCHARRYS BUS SERVICES DETOURS

We have been informed by McHarrys that the S22 and S27 school bus services from Charlemont and Ashbury Estate will be on detour from Monday 19th August until the end of the school year. This is due to the upcoming closure of the intersection of Boundary Road and Horseshoe Bend Road.

The McHarrys website is now showing the detour routes that will apply. To search please use the following link: [School Bus - Mcharrys Buslines](#) and type S22 and S27 as the destination code. The PDF timetables will show the changes.

It is important to note that:

- **Charlemont will ONLY BE SERVICED BY S27 am and pm.**
- **Ashbury Estate will ONLY BE SERVICED BY S22 am and pm.**

The detour options are very limited and it's not possible for McHarrys to easily operate buses in this area.

There are other upcoming works that may impact these detour routes and McHarrys will inform the school of any other changes required as they arise.

YEAR 10 IMMUNISATION - PARENTS/GUARDIANS NOTE NEW DATE

Parents/Guardians please note - the updated date for Immunisations for Year 10 students is **Tuesday 10th September, 2024**. The session will be run by Barwon Health Immunisation staff. The scheduled Vaccine being administered to Year 10 students on this day is:

• NIMENRIX (Meningococcal ACWY)

An important note for parents/guardians - who have already returned completed consent for your son/daughter to receive this vaccination do not need to complete this again.

For those who have not completed consent - updated permission forms have been sent electronically to all Year 10 Parents/Guardians. For those who prefer, some hard copy permission forms are available from the Oberon High School Office upon request and forms can also be emailed to parents.

Parents/Guardians are asked to return completed permission forms via email to Barwon Health Immunisation even if you have ticked no and do not wish for your student to receive the vaccination at school.

Following is the link to the Australian Government Meningococcal resource page:

<https://www.health.gov.au/resources/collections/meningococcal?language=en>

Also following are some information videos available which help to explain why this vaccine is given to our Year 10 students:

<https://youtu.be/qNZDxVLYIbM>
<https://youtu.be/5ZEqVqUL0kA>

If you require more information or would rather this vaccine, be given outside of the school setting, please contact Barwon Health immunisation directly on 4215 4444 or your GP.

How effective is the vaccine?
 The meningococcal vaccine is a safe and effective way to help protect young people from meningococcal disease.
 A single dose of meningococcal ACWY vaccine is very effective in providing protection against these four types of meningococcal disease.

How safe is the vaccine?
 The meningococcal vaccine is safe. Meningococcal ACWY vaccination programs have been in place for adolescents in the UK since 2015 and in the US since 2005.
 As with all vaccines, some people may have a reaction. These are usually mild and can include:
 • soreness, swelling or redness at the injection site
 • headache, fatigue and fever
 • nausea and decreased appetite.
 Serious side effects from the vaccine are extremely rare. If you are worried about your child's reaction seek medical advice.

Adolescent meningococcal ACWY vaccine
 Meningococcal disease is serious, but you can be protected.

Adolescent meningococcal ACWY vaccine

Why get vaccinated?
 Meningococcal disease is rare but very serious and can quickly become life-threatening. The meningococcal ACWY vaccine provides protection against four types of meningococcal disease, including two types which have become more common in Australia in recent years, caused by the W and Y bacteria.
 There is a separate vaccine that provides protection against meningococcal B type. Speak to your GP or other immunisation provider for more information about this vaccine.

Repeat doses of meningococcal vaccine
 If an eligible person received a dose of meningococcal C vaccine in childhood, it is still recommended to receive the meningococcal ACWY vaccine in adolescence. The meningococcal ACWY vaccine provides protection against A, W, Y types and in addition will boost immunity against the C type.

How do you get vaccinated?
 The vaccine is free for all students in year 10 aged 14-16 years through school-based immunisation programs. Even if your child is aged 14-16, they won't receive the vaccine at school if they are not in the eligible year level. Students in the eligible year level will receive a consent form from their school. This consent form must be signed by a parent or guardian and returned to the school before a vaccination is provided.
 Adolescents aged 15 to 19 years of age, who have not received the vaccine at school, can receive it through their GP or other immunisation provider.

How can I find out if my child is immunised?
 The Australian Immunisation Register keeps a record of vaccinations given in Australia. Parents or guardians of children under 14 years of age can access their child's immunisation history statement at any time by using your Medicare online account through myGov (my.gov.au). Adolescents aged 14 years or older can view their own immunisation history statement, or give the Department of Human Services permission to provide you with access to their statement.

Where can I get more information?
 • Speak to your GP or other immunisation provider.
